### News and Notes at Nick's...

#### SHIP BILL UPDATE:

The fight in Congress over SCHIP funded by increase tobacco excise taxes, specifically, the exorbitant increase in handmade cigar excise taxes, continues. House Resolution (HR) 3963, contains few significant changes that will persuade opposing Republicans to change their vote on the proposed expansion of the now controversial government-funded children's healthcare program. HR3963 passed the House of Representatives in a floor vote on October 26 by a margin of 265-142, seven votes short necessary to override a likely presidential veto.

Because H.R. 3963 has not addressed in a meaningful way the objections that caused the President to veto H.R. 976, the President will veto this legislation if it is presented to him without significant changes.

According to many sources, including IPCPR's federal lobbyists, HR3963 will not survive the legislative cycle. We expect the president to veto HR3963 and the potential veto override vote will fail. Following the Republican Caucus last week, Republicans will stand opposed to the current SCHIP expansion proposal, leading to Round Three and opening the issue to legitimate compromises for the cigar industry.

### New Cigars at Nicks...

#### CHATEAU REAL by Drew Estate

This creation from Drew Estate is wrapped in an Ecuadorian-grown Connecticut leaf and a harmonious blend of Dominican and Nicaraguan fillers. The Chateau Real is mild, smooth, nutty, naturally sweet and deliciously creamy. Available in 8 different sizes.

#### GURKHA ESTATE SELECT VINTAGE SHAGGY

Gurkha cigars are hand made from the finest tobaccos grown in the fertile Cibao Valley of the Dominican Republic. This 8 year old wrapper combined with 5 year old Dominican and Nicaraguan fillers and binders, creates a smooth, well balanced medium bodied smoke. The shaggy foot is more for aesthetics than anything else.

### The Buzz ....What's Hot and What's Everyone Smoking

The Hottest thing now is the Oliva Series V. The Torpedo received a 94 rating in the last issue of Cigar Aficionado. We had a tasting last week and everyone was unbelievably overwhelmed by how great this smoke is. These are going to be hard to get your hands on but we've got some left over from the tasting.

Serie V is a complex blend of Nicaraguan long filler tobaccos. Blended with specially fermented Jalapa Valley ligero, and finished with a high priming Habano Sun Grown Wrapper.

**Blending Notes:** This cigar is blended to deliver full body taste while maintaining an unparalleled smoothness. This flavorful blend exhibits complex tobacco with rich coffee and dark chocolate tones. A subtle and well balanced spice is present throughout.
