Nick's Cigar World February Specials

February 2008

Volume 1, Number 6

Nick's Cigar Pick of the Month

Fonseca Cubano Limitado

The new Fonseca Cubano Limitado is the successor to the fantastic *Fonseca Special Reserve* cigars that came out a few years ago. The smoke is medium-bodied and quite smooth with a well-balanced mix of earthy and sweet tobacco flavors, and a spicy aroma. Rated 90 by Cigar Aficionado.

Tip of Month

Fake Cubans

Beware of fake Cubans. It seems like there are even more available than ever before. Real Cuban cigars can not be bought for \$100 a box. If you do buy them for a price like this don't tell anyone who knows real Cubans...

Cigar Quote of the Month

"A good cigar is like tasting a good wine: you smell it, you taste it, you look at it, you feel it--you can even hear it. It satisfies all the senses."

New Cigars at Nicks...

The Padron 80th (please call for availability)

Padron 80th Anniversary cigar, which is coming out to honor the 80th birthday of Jose Orlando Padron, who founded the company in 1964. The cigars are being made now in Esteli, Nicaragua, and they are perfectos, the first the company has ever made. They measure 6 3/4 inches long by 54 ring.

CAO America Anthem (please call for availability)

The "Anthem" is a special edition 'A' size they have done for their CAO America brand that measures 8.5" x 50. It's the same wrapper/binder/filler as the rest of the line. At this time, the "Anthem" is NOT a cigar that is in regular production in that brand, a la "Potomac," "Monument," and "Landmark." The Anthems were part of an RTDA retailer deal and are being shipped inside CAO America Humidors. The humidor is available for sale (\$200.00)

The Buzz ... What's Hot and What's Everyone Smoking

Padron 7000

All tobacco in this line is sun-grown Habano that is aged for a minimum of two and one-half years. This comes in a Natural and Maduro wrapper grown in Nicaragua and they measure 6 1/4 inches long by 60 ring. One of our regular customers Mike H. smoked one yesterday and stayed for an hour smoking it and telling the staff and customers what a great smoke it was.

Rocky Patel Indian Tabac 10 Year Anniversary

This full bodied masterpiece is the best ITC cigar ever produced. Rich and decadent it has a peppery yet sweet on the palate. This premium cigar is a must smoke after a great meal. The cigars are manufactured in Nicaragua by Joseph Fernandez, a rising star in the business. This is the company's first Nicaraguan Puro using binder and filler tobacco from 3 different regions in Nicaragua.
